Total costs	200	250	300	350

BTEC HEALTH & SOCIAL CARE

C3 Barriers and obstacles to following recommendations.
Definition of barriers: something unique to the health and social care system that prevents an individual accessing a service.
Potential barriers as appropriate to the individual and the recommendation.
Definition of obstacles: something personal to an individual that blocks a person moving forward or when action is prevented or made difficult.
Potential obstacles as appropriate to the individual and the recommendation.

BTEC MUSIC

Continue to complete task 2 for component 1 resit.

MENTAL HEALTH TIPS

Spend time with friends/family – Spending time with people you care about releases happy hormones. Take some time away from your revision to spend time with parents, grandparents, siblings, cousins or friends. You can even give someone a call or speak to them on FaceTime.
