

# The Final Countdown

This week you should be doing the Following for each exam subject

Exams Countdown

**WEEK 2 – 28<sup>th</sup> April**

## ENGLISH

Revise the poems about war in your poetry anthology, create mind maps for each on the same page and add in links between the poems based on their themes and how they relate to the ideas of Power and Conflict.

<https://www.bbc.co.uk/bitesize/articles/zhyxtrd>

## HISTORY

Make notes on the Exam Technique for Paper One: Conflict and Tension and Germany

## MATHS

1. Work through the Final Countdown questions emailed to you by your maths teacher. Use the mark scheme to check your work.
2. Work through the pages in your 100 Days to Go Revision Booklet. Watch the video to check your solutions.
3. Complete the practice exam questions you have been given. Watch the video solutions on the link you have been emailed.

## GEOGRAPHY

Make as many links as you can between the resource management topics (food, water & energy) and the rest of Paper 1/2

## SCIENCE

**Biology** - [Unit 3- Infection and response.doc](#)

Complete the exam questions. Answers are at the end of the document to self-assess.

## FRENCH

Speaking questions practice (**General Conversation booklet, Theme 2**).

This will also help with your writing practice, try to memorise and re-write question by question.

# The Final Countdown

This week you should be doing the Following for each exam subject

Exams Countdown

**WEEK 2 – 28<sup>th</sup> April**

## ART

**\*\*Exam Week\*\***

Coursework Annotations and Artist Links essays following the exam.

## PSYCHOLOGY

1. Revisit 14 key studies.  
Make a list of them all on one mind map. Identify strengths and weaknesses for each study.

## BTEC IT

Write a brief overview of data protection principles. Create a short scenario showing the application of these principles in a real-life scenario.  
Explain the concept of the right to be forgotten concerning data on the internet. Explain the importance of appropriate and legal use of cookies and other transactional data on the internet.  
Summarise methods of identifying/protecting intellectual property and discuss the legal and ethical use of intellectual property.  
Match each type of notation with a scenario where it would be most effective. Provide a brief explanation for each match, highlighting the strengths of the chosen notation in that context.

## RELIGIOUS STUDIES

Complete Sikh Beliefs revision sheet.

## FILM STUDIES

Complete the 25 mark question on **Tsotsi** on the sample assessment materials.

## BTEC BUSINESS

What is the formula to calculate break even? Practice and revise this as it will be needed in the exam. What are the strengths and weaknesses of breakeven analysis?  
Complete a break-even chart for the following information.

Costs and revenues for Dave's chip shop				
Number of chips sold	0	10	20	30
Total revenue	0	200	400	600
Fixed costs	200	200	200	200
Variable costs	0	50	100	150
Total costs	200	250	300	350

For each of the sources of finance list advantages and disadvantages to the enterprise.

## BTEC HEALTH & SOCIAL CARE

**C2 Recommendations and actions to improve health and wellbeing.**

- Established recommendations for helping to improve health and wellbeing.
- Support available when following recommendations to improve health and wellbeing.

## BTEC SPORT

Create flashcards or a revision poster on goalsetting and motivation for fitness training.

## MENTAL HEALTH TIPS

Breathe - take slow, steady breaths in through your nose and out through your mouth.  
Steady breathing lowers your blood pressure and heart rate, reduces levels of stress hormones in your blood, increases your physical energy and creates feelings of calm.
