Dear Parents/Carers

As part of our ongoing commitment to providing the best possible experience in Performing Arts, we are delighted to offer pupils the opportunity to purchase jazz shoes for use during dance lessons.

While jazz shoes are not compulsory, they can greatly enhance comfort, support, and flexibility, allowing pupils to move with increased ease and confidence. Designed specifically for dance, these shoes can help support pupils' participation and progress in lessons.

If you would like to purchase a pair for your child, they are available to order via Amazon. Please see the image below for an example of the recommended style.

Please note that pupils who do not have jazz shoes will be expected to take part barefoot during lessons.

Should you have any questions or require further information, please do not hesitate to contact the school.

Thank you for your continued support.

Yours faithfully
