Parent Advisory Forum

March 2026

You Said	We Did
Further pupil education on integrity and making the right choices when unsupervised	Continue to focus on this related to our values in assemblies and take action on reported instances.
Develop road safety teaching and looking into a related rewards system	Summer term assembly on road safety including staying online and offline. Link this initiative to a House competition on raising awareness on road safety to link this to rewards system.
Look into how subject specific information can be shared via ClassCharts	This will be discussed at the pastoral team meeting to see if there is any way of sharing subject specific info on referrals without Heads of House needing to make a phone call, or whether further parent training could take place on using the subject graphs on ClassCharts. To be discussed in more detail at the next forum.
Include summary of Ofsted judgements on school website	The media team have been tasked with producing a web page friendly version of a summary sheet that has been created outlining the main points from our Ofsted inspection.
