Dear Parent/Carer

### **Re: School Closure – Friday 26th June 2026**

Following the predicted weather forecast and the continued high temperatures predicted for tomorrow, we have taken the decision for school to remain closed to pupils on Friday 26th June 2026.

We will re-open to pupils on Monday 29th June 2026 in full school uniform, as the latest weather forecasts indicate lower temperatures.

#### **Pupils who need to attend school**

As per our communication yesterday, we recognise that some pupils may need to attend school due to health, social or other serious known circumstances. If you believe your child falls into this category, please email [postbox@smestowacademy.co.uk](mailto:postbox@smestowacademy.co.uk) as soon as possible, outlining the reason. We will then contact you regarding appropriate arrangements.

#### **Learning from home**

All pupils are expected to continue with learning from home activities on Friday 26th June 2026.

ClassCharts will be our main platform for setting and accessing work. Staff will upload work to ClassCharts (this may appear as a homework) and will be available via their school email accounts throughout the day to support pupils and answer questions.

#### **Online Learning Platforms**

A gentle reminder that if your child requires a password reset for any online platform, please contact Postbox and we will support you as quickly as possible.

#### **Staff Support**

Although pupils will be learning from home, staff will be working and available throughout the day via their school email accounts to enable pupils to contact them about the work set if required.

#### **Timing of Work**

All learning tasks will be uploaded to ClassCharts by 9:30am on Friday morning so that families can organise their access to devices throughout the day.
